

AVIVA KATZ TROPHY NOMINATION FORM

The Aviva Katz Trophy seeks to recognize the qualities that Aviva lived in her life: specifically grit and her special ability to overcome tough obstacles through her love of skating. Any club member, child or adult, can be nominated by any person (except their own parent). Any person – skater, parent, coach, or judge -- can nominate any club member (except their own child), but please keep our readers in mind and only send in nominations for three or fewer people. These nominations will be read anonymously (all names will be redacted), so please keep that in mind when writing your reasons for nominating the skater. Be descriptive -- there is no word minimum or maximum! **The deadline for nominations for the Aviva Katz Trophy is May 1** (this is two weeks earlier than the other trophies). Please email nominations to Tenley Brownwright at tbrownwright@gmail.com

Channah and Shoshana Weiner will be presenting the award (in perpetuity) and are not eligible for nominations.
